62nd Annual Meeting Highlights

More than 525 members and guests gathered for the Lane-Scott Annual Meeting at the Lane County Fairgrounds.

The Lane-Scott Electric Annual Meeting was held on July 10, 2012, at the Lane County Fairgrounds. A crowd more than 525 guests were served a delicious meal by Stan Hoss BBQ of Ness City.

Incumbent Trustees Richard Jennison, representing Lane and Gove counties; Harold Hoss, representing Ness and Rush counties; and Craig Ramsey, representing Scott and Logan counties; were re-elected to the Board of Trustees of your cooperative.

Interim Manager, Dow Morris, gave his report on the state of Lane-Scott Electric.

Stuart Lowry, CEO of Sunflower Electric Power Corporation, was the guest speaker. He stressed the effect that Environmental Protection

Agency (EPA) regulations are having on your electrical rates and what direction things might go moving forward.

Free carnival rides were enjoyed by the crowd as well as the many door prizes that were given away.

Junior Board members, Sarah Mulville, Mathew McMullen and Austin Vieux are leaving the board due to term limits and were recognized with appreciation plaques. Not pictured were Catherine Huck and Darrick York.

Lane Scott,

Thank you for sending me on this trip. It's was a great experience.

Mathew Mulville

Lane Scott,

Thank you so much for sponsoring my Washington, D.C., Youth Tour trip. It was an unforgettable experience and I will never forget the things I learned and the people I met.

This trip has not only given me a better understanding of our nation's government and how it operates; it's also given me a greater appreciation for this country. Actually viewing the memorials and monuments of the heroes of the United States helped me to realize that these people were more than just characters in my history book. Without their leadership and guidance, America would have crumbled to the ground.

I can't thank you enough for giving me the opportunity to not only participate in the Youth Tour, but to discover the impact of good leadership skills throughout history and on into the future.

Thanks!
