IDLE SERVICE

AVAILABILITY:

Entire Service Territory

APPLICABILITY:

This rate is applicable to all services disconnected and idle for six (6) months or longer subject to Cooperative Rules and Regulations.

CONDITION OF SERVICE:

Individual line extensions to a given location may be removed by the Cooperative if service is discontinued and the service is idle for six (6) months or longer. Notice of intent to remove these facilities shall be given to the applicant or owner by registered mail. The cooperative shall have the right to remove the transformer in cases where the service may be idle for several months. Transformers so removed shall be replaced without charge when applicant or owner request service resumed provided, however, the idle service charge has been paid.

RATE:

Payment will be \$63.00 annually, payable in advance. If service is again taken during the twelve (12) month period, the remaining part of the payment will be applied to the ensuing monthly bills.

TERMS AND CONDITIONS:

In accordance with the Rules and Regulations of the Cooperative as they currently exist or may be amended from time to time.

PROPERTY TAX ADJUSTMENT CLAUSE:

The above rate shall be increased or decreased in accordance with Schedule PTA, as it currently exists or may be amended from time to time.
