MULT GLOBE 100W HPS (5)	39,600	200		9.07			

MINIMUM MONTHLY BILL.

- a. The Monthly Rate per billing period; and
- b. Any applicable billing adjustments (such as ECA, etc.) or payment plans; and
- c. Any applicable taxes, franchise, regulatory assessment, service fees, etc.

TERMS AND CONDITIONS

- a. Lamps shall be controlled by a photo-electric controller providing dusk to dawn service.
- b. Maintenance of Cooperative-owned lamp equipment and lamp renewals are performed during normal working hours within a reasonable period following notification by the customer of the need for such service. Glassware is cleaned only at the time of such maintenance. Permission is given the Cooperative to enter the customer's premises at all reasonable times for the purpose of inspecting and maintaining its equipment.
- c. The customer is responsible for all damages to, or loss of, the Cooperative property located on their property unless occasioned by Cooperative negligence or by any cause beyond control of the customer.
- d. It shall be the customer's responsibility to notify the Cooperative when the lighting system is not working on the customer's premises.
- e. The Cooperative will own, maintain, and operate all controlled area lighting equipment and service facilities.
- f. The Cooperative will attempt, circumstances permitting, to service and maintain the equipment within a reasonable length of time from the time the Cooperative is notified of a maintenance requirement. The Cooperative assumes no responsibility for patrolling such equipment to determine when maintenance is needed, However, it is the customer's responsibility to detect and report failures and malfunctions to the Cooperative and, when such failures are due to vandalism, mischief or a violation of traffic laws or other ordinances, to assist the Cooperative in identifying the responsible party.
- g. Relocation of Fixtures: The Cooperative will relocate a Cooperative-owned Street lighting pole or standard at the customer's expense if located on private R.W., if on Public R.W., the law of the State of Kansas will govern.

- h. Service is provided in accordance with the Rules and Regulations of the Cooperative as they currently exist or may be amended from time to time.

TERMINATING NOTICE. All service under this rate shall require a written notice ninety (90) or more days prior to termination by either party.
